

US 29 AT MD 198 RELOCATION AND INTERCHANGE IMPROVEMENTS Montgomery County, MD

Twenty-Eight Million Dollar Design/Build construction project that involved the relocation of US 29 and new interchanges at Blackburn Road, MD 198 and Dustin Road. The Dustin Road interchange was a roundabout interchange. The project included 40 guide and 118 regulatory/warning signs, pavement markings, traffic signals, interconnect, and one CMS. Also included was a multi-phase maintenance of traffic plan to perform all construction activities under traffic with minimal disruptions.

Client: Maryland State Highway Administration
Total Construction Cost: \$28,000,000.00
Project Size: 7,000 feet of roadway

WBCM Services: Traffic, Highway, Surveys,
Hydrology/Hydraulics, Structural
